COMTO Scholarship Program

The Conference Of Minority Transportation Officials' (COMTO) National Scholarship Program offers a variety of scholarships to students pursuing careers in the transportation industry. COMTO's mission is to ensure a level playing field and maximum participation in the transportation industry for minority individuals, businesses, and communities of color through advocacy, information sharing, training, educational and professional development. The National Scholarship Program is one way to ensure the continuing legacy of minorities in transportation. Selections are made annually by a team of industry professionals, as well as representatives from the academic community.

Invest in tomorrow's leaders today by contributing to the National Scholarship Program!

Please complete the form and return it along with your payment. Should you have any questions or concerns, please feel free to contact COMTO National at (703) 234-4072 or info@comto.org.

Please note that your contribution is tax-deductible.

COMTO National Scholarships

Thomas G. Neusom Scholarship | \$5,500

This scholarship is awarded to an undergraduate student or graduate student enrolled with a minimum of six credits at an accredited college/university/vocational-technical institution. The recipient must be a COMTO member in good standing for at least one year.

Rosa L. Parks Scholarship | \$4,500

This scholarship is awarded to a graduating high school student or a currently enrolled college student studying in a transportation discipline. The recipient or their parent must be a COMTO member in good standing.

Carmen E. Turner Scholarship | \$3,500

This scholarship is awarded to an undergraduate student or graduate student enrolled with a minimum of six credits at an accredited college/university/vocational-technical institution. The recipient must be a COMTO member in good standing for at least one year.

North Carolina A&T Matching Scholarship | \$3,000

This scholarship is awarded to a NC A&T student who will be a junior in the field of transportation. The transportation fields include safety, urban planning, environmental disciplines, public services, or a specific transportation-related discipline.

Trailblazer Scholarship | \$2,500

This scholarship is awarded to an undergraduate or graduate student enrolled with a minimum of six credits at an accredited college/university/vocational-technical institution.
